

Apples and Cider

When your sweet - ies gloo - my and your fam' - ly's in a fix, go
straight to the Fly Creek Ci - der Mill built in eight - een fif - ty six. Where the
days just move more slow - ly, and life is true and real. Where
cid - er's made the old fash - ion way, with a tur - bine wat - er wheel.
App - les and Ci - der! App - les and Ci - der!
App - les and Ci - der at the Fly Creek Ci - der Mill. It
stands on the banks of a wind - ing creek, be - hind a love - ly pond, where
you and the ducks and the geese can gaze at the gen - tle hills be - yond. Eat
gin - ger snaps and dough - nuts, and app - les by the score. Then
have some fudge and some fine cheese and go right back for more!
App - les and Ci - der! App - les and Ci - der!
